

Lake County Obesity Forum: June 28th, 2012

6:00 p.m. - 7:30 p.m. at the Goodwin Theater at Perry High School

The Lake County Obesity Forum will bring in local experts to discuss the role they will play in preventing obesity in Lake County. A brief screening of the HBO Documentary, *The Weight of the Nation* will be played followed by a panel of experts from the Lake County General Health District, Lake Health, Local Business, Social Services, and more.

Who should attend? Business leaders and political leaders, community agencies, health care providers, parents, and those committed to helping reverse the epidemic of obesity in Lake County.

The event will highlight how key partners are coming together in Lake County to develop innovative opportunities, highlight current resource and programs, and allow for an interactive discussion.

Objectives:

- Raise awareness of the health and economic impact of obesity
- Gain knowledge of the plans and programs being developed in Lake County
- Gain insight from area experts
- Learn how businesses and agencies and partner to support our community
- Help refer families to the Healthy Lifestyle Initiative
- Catch a glimpse of the HBO Documentary
